

# iBAR<sup>®</sup>: TECHNICAL SPECIFICATIONS

With a Mindstorm iBar<sup>®</sup> you can dare to be different. Think the unthinkable. Reinvent your customer experience. With its multi-touch, interactive surface, the iBar<sup>®</sup> will transform the way your customers engage with your company, each other and the world around them.

The iBar<sup>®</sup> provides organisations with the interactive platform they need to help bring any surface to life - from an exhibition stand or hotel reception desk to a bar counter or retail point of sale.

How you implement the iBar<sup>®</sup> is up to you. It can be used to promote new products. To update menus and price lists. To host interactive games. To create an ambient atmosphere. The possibilities are endless. The possibilities are just waiting to be discovered.

**The potential is yours to harness.**
